

CHIC 2021 WEBINARS

FREE ONLINE SESSIONS FOR CHIC'S MEMBERS AND PARTNERS

Due to the popularity of CHIC's 2020 webinar programme, which replaced our annual conference, we will be delivering a new programme of topical webinars throughout 2021. You can expect informative presentations and discussion from a variety of expert speakers, focused on topical issues around asset management and development facing the housing sector.

We will also be hosting a webinar day hosted by Mark Easton on 9th June, to replace our 2021 conference.

WHY YOU SHOULD ATTEND

Each webinar has been developed to suit the interests of CHIC members and is inspired by your feedback. The webinars will last 1 hour so they can fit around other commitments.
