Accessible to all CHIC members, our single provider Adapted Bathrooms Framework can supply quality materials for adapted bathrooms to our members with relevant associated support services to provide an efficient, value for money procurement route.

AKW provides:

- Survey Services
- Technical support and Advice
- Supply of Adapted Bathroom Materials
- Quality assurance support for guarantee of materials.

As well as providing compliance, quality and best value to members, the CHIC framework for Adapted Bathrooms Material Supply and associated Services supports a streamlined process from the award of a contract (call-off) to completion of a project and aims to satisfy competitive market prices, streamlined and efficient procurement, instant access to project data, delivery periods guarantee, service level guarantee and high quality standards. CHIC has appointed a single service provider to this framework.

AKW Medicare Ltd

AKW bring accessible bathroom ideas to life, to make buying and specifying decisions even easier. Their bathroom products are optimally designed for maximum comfort, conforming to national standards for guaranteed quality and specially developed, although not exclusively, for users with reduced mobility.
