

HOMES UK

22-23 NOVEMBER 2023, EXCEL, LONDON

This year, CHIC will again be hosting a Pavilion (CHIC Community) within the Unlock Net Zero Live area with our supply chain.

Following the success from last year, we again want to be able to engage delegates at a personal level, with a café and free coffee to attract attendees. CHIC's space will be separated by a different carpet colour from surrounding stands.

The community

We have upgraded our space to allow for optimal engagement, keeping the space open and encouraging a steady flow of traffic throughout.
