ROOFING SYSTEMS AND WORKS

REF: 2022/S 000-020994

START: 05/07/2022

END: 03/07/2026

This CHIC framework has been developed to provide an efficient, value for money procurement route for social landlords and other public sector bodies for the design, supply and installation of roofing systems and associated works in all types of refurbishment and new build projects.

The framework scope includes for the design, supply, installation and all associated works for traditional flat and pitched roofing systems, and mixed roofing projects comprising a combination of both.

Lot 1 – Flat Roofing Systems

Includes the design and supply of traditional flat roofing products to include (but not be limited to), asphalt systems, torch on systems such as bituminous built up roofing systems, flame-free systems such as single ply, bituminous systems and GRP. This may include associated products and works such as flashings, fascias, soffits, weathering and rainwater items.

Lot 2 - Pitched Roofing Systems

Includes the design and supply of traditional pitched roof coverings to include (but not be limited to), plain concrete tiles, interlocking concrete tiles, interlocking resin or slate, plain clay tiles, interlocking clay tiles, natural blue, black and grey slate, fibre cement slate, all to include flashings, fascias, soffits, weathering and rainwater items.

Lot 3 - Roofing Contractors

Includes the design, supply and installation of traditional flat/pitched roof coverings to include (but not be limited to), plain concrete tiles, interlocking concrete tiles, interlocking resin or slate, plain clay tiles, interlocking clay tiles, natural blue, black and grey slate, fibre cement slate, all to include flashings, fascias, soffits, weathering and rainwater items. This lot is split into two Workstreams, for Flat Roofing Contractors and Pitched Roof Contractors.
