LIFTS

REF: 2021/S 000-000615

START: 05/04/2021

END: 04/04/2025

CHIC's framework gives members access to companies offering the supply, installation, servicing and maintenance of lifting equipment, passenger lifts and mobility aids.

The framework is split into two different Lots as below:

Passenger Lifts

This specification provides for installation, replacement, service, repair, maintenance and removal of Stairlifts, Through-floor Lifts and Personal Handling Equipment.

Contractors hold accreditation through SSIP, NIC EIC, Lift and Escalator Industry Association (LEIA) and European Platform & Stairlift Association (EPSA).

Stairlifts, through-floor lifts and personal equipment

Installation, replacement, servicing and repairs to Passenger Lifts. Included in the Lift Contractor's responsibility will be the provision of all labour and materials for the correct adjustment repair and/or replacement where conditions warrant of all other component parts of the lift installations not specifically excluded.

OUR SUPPLIERS
