

CHIC DPS
COMMERCIAL AND DOMESTIC
APPLIANCES

AVAILABLE FOR CHIC MEMBERS

DYNAMIC PURCHASING SYSTEM (DPS)

A FLEXIBLE ALTERNATIVE ROUTE TO MARKET

CHIC has a comprehensive DPS, offering a wide selection of categories across all service areas. Contract selection and awards under the DPS must be via a competitive mini tender; CHIC will support and guide members during the tender process, all run through the CHIC eSourcing portal.

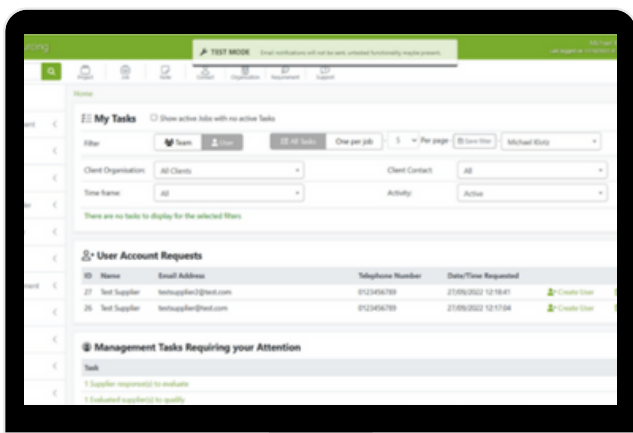

Advantages to members of using the DPS are:

- Contractors and suppliers can join the relevant category at any time
- If leaseholder consultation is required (s20 works) for a project or programme, then the DPS still enables an efficient route to market
- CHIC agrees with the member the level of engagement they require.

All CHIC tendering opportunities and contract notices can be found on the:

CHIC ESOURCING PLATFORM

All contracts procured through CHIC's DPS must be via mini tender. CHIC invites the registered DPS contractors or suppliers to tender, following PCR 2015 regulations and your agreed specification, remaining compliant at all stages in the process. Those who are interested will enter the tender process and the most advantageous tender will be awarded to deliver the required services.

COMMERCIAL AND DOMESTIC APPLIANCES

FATS NO. 2018/S 149-342052

AWARDED: 06/08/2018

The social housing sector is responsible for managing a vast number of properties across the UK, and one of the key aspects of property management is ensuring that the appliances within those properties are in good working order. This includes both commercial and domestic appliances. The importance of having reliable appliances cannot be overstated, as they are crucial for maintaining a safe and comfortable living environment for tenants. However, finding the right suppliers for these appliances can be a time consuming and challenging task.

This DPS provides a compliant route to market for our members to procure a wide range of high quality appliances. By accessing this DPS, you can save time and money in the procurement process while ensuring that you are meeting all necessary compliance and regulatory requirements. Members have access to a wide range of suppliers who can provide a variety of appliances for both domestic and commercial use. These suppliers are carefully selected to ensure that they offer high quality products at competitive prices and that they have a proven track record of delivering on time and to budget. This means that members can be confident that the appliances they purchase will be reliable, energy efficient and fit for purpose

The DPS is split into two different Lots as below:

Lot 1: Domestic Appliances

Including but not limited to domestic washing machines, tumble dryers, dishwashers and ovens. The category covers the supply, installation and maintenance of any domestic appliance as well as warranties.

Contracts awarded under this DPS Category may include all or a mix of the works and services highlighted above.

Lot 2: Commercial Appliances

Including but not limited to commercial washing machines, tumble dryers, dishwashers and ovens. The category covers the supply, installation and maintenance of any commercial appliances.

MORE ABOUT CHIC

CHIC is a not for profit, member owned and governed asset management consortium. We offer a wide selection of services for our members in the affordable housing sector, for other public sector bodies and for charities. We provide procurement and contract support solutions, delivering savings, efficiencies and added social value.

Membership

Membership of CHIC is open to any housing association, public sector body or charity. It is free to join and members can use as few or as many of our services as they choose.

Services

CHIC provides a comprehensive selection of services. Together, these provide a full suite of contractor and supply chain solutions for affordable housing landlords and other public sector bodies, across their asset management and development programmes. All services are underpinned by a range of frameworks, a dynamic purchasing system (DPS) and some long-term contracts.

THE TEAM

Please get in touch

CHIC supports members to secure access to a wide range of contractors, suppliers, merchants and consultants from our frameworks and contracts, through mini-competition or direct award. We fully support the procurement process, with dedicated member services and supply chain management support.

Once contracts are awarded, we provide ongoing member advice and reporting, including comprehensive commercial catalogue management and value for money reporting.
