CHIC DPS
GROUNDS MAINTENANCE

AVAILABLE FOR CHIC MEMBERS

DYNAMIC PURCHASING SYSTEM (DPS)

A FLEXIBLE ALTERNATIVE ROUTE TO MARKET

CHIC has a comprehensive DPS, offering a wide selection of categories across all service areas. Contract selection and awards under the DPS must be via a competitive mini tender; CHIC will support and guide members during the tender process, all run through the CHIC eSourcing portal.

Advantages to members of using the DPS are:

- Contractors and suppliers can join the relevant category at any time
- If leaseholder consultation is required (s20 works) for a project or programme, then the DPS still enables an efficient route to market
- CHIC agrees with the member the level of engagement they require.

All CHIC tendering opportunities and contract notices can be found on the:

CHIC ESOURCING PLATFORM

All contracts procured through CHIC's DPS must be via mini tender. CHIC invites the registered DPS contractors or suppliers to tender, following PCR 2015 regulations and your agreed specification, remaining compliant at all stages in the process. Those who are interested will enter the tender process and the most advantageous tender will be awarded to deliver the required services.

GROUNDS MAINTENANCE

REFERENCE NO: 2017/S 207-428123

AWARDED: 25/10/2017

Grounds maintenance is an essential aspect of maintaining social housing and construction sites. It includes a range of activities such as grass cutting, hedge trimming, weed control and general upkeep of communal areas. Ensuring that these areas are well maintained is not only important for the safety and well being of residents and workers but also for maintaining the aesthetic appeal of the properties. Therefore, it is imperative for organisations to have a compliant route to market for this service.

CHIC's Dynamic Purchasing System (DPS) is an effective way to procure grounds maintenance services, providing a flexible and streamlined approach that allows organisations to engage with pre vetted suppliers who are capable of delivering high quality services.

It offers a convenient service for Registered Providers of Social Housing, Local Authorities, Blue Light Services, Education NHS, and all other contracting authorities in the United Kingdom.

The DPS is split into three different Lots as below:

Lot 1: Grounds Maintenance

Lot 2: Arboriculture Works

Lot 3: Site Surveying
