PROCUREMENT WITH A **DIFFERENCE**

CHIC has grown from a membership of seven founding members to more than 200 housing associations, local authorities and other members. Together these own and manage over 2m social housing homes and other buildings across the UK.

We bridge the gap between strategic thinking and operational delivery, providing fully managed procurement, expert account management, dedicated supply chain liaison and commercial support.

Once you become a member of CHIC, you will be assigned a membership services representative to help you along your procurement journey. There are no obligations to use CHIC's services once you become a member, but the more you use our suite of solutions, the more you save.
